

## HOPE Christian PSP Release of Liability Form for the 2021-2022 School Year

Parent, please read and sign below:

I understand and agree that in allowing my children to participate in HOPE sponsored events, I waive and give up all claims against HOPE Christian PSP and each of its overseers (including administration, leadership, volunteers, hosts, or venues), for any injury, accident, illness, or death occurring during or by any reason of this event.

I understand and agree that HOPE Christian PSP can not guarantee my or my child's or family members in becoming infected with any communicable disease such as influenza, Covid-19, SARS, etc. during an event. I understand gathering in groups may put my children at risk of contracting diseases, illnesses, and viruses. I understand that the risk of becoming exposed to and/or infected by any such illness may result from the actions, omissions, or negligence of myself and others at the event and I will not hold HOPE Christian PSP or its administration, leadership, volunteers, hosts, or venues responsible.

I understand and agree that HOPE Christian PSP and each of its members shall be held harmless from any and all liability from damages to property that may arise out of hosting or attending a HOPE event.

In the event of an emergency, every attempt will be made to contact me, the parent/guardian, as long as this attempt does not jeopardize the safety of my child prior to medical action. If I am unable to be reached, I hereby consent to whatever medical treatment a licensed physician deems necessary for the safety and welfare of my child.

I will allow HOPE Christian PSP's selective representatives to photograph and video my child/children for the purpose of sharing these images on our private social media accounts or to be published in the HOPE Family Yearbook. I agree to allow this without compensation or restrictions.

Due to religious reasons, HOPE Christian PSP believes it is morally-wrong to litigate matters before "man" (1 Corinthians 6: 1-8). Therefore, any dispute will be heard before a HOPE leadership panel, and if that does not resolve the issue, will be heard before a pastoral panel. If the dispute is not resolved at this level, the complaining party shall be responsible for all fees and costs from both sides arising out of the dispute.
